Dear Miss [redacted]:

Your letter dated January 30, 1961, has been received, and I appreciate the interest prompting your inquiry.

Although I would like to be of service, information in FBI files is confidential and available for official use only, due to a regulation of the Department of Justice. I can inform you, however, that the pamphlet you mentioned has frequently been brought to this Bureau's attention in the past, and you will note it contains a statement to the effect that the procommunist records of the individuals named therein are documented in the files of "other Government investigating Agencies." I want to assure you that the Cinema Educational Guild, Inc. and its national director, Myron C. Fagan, have not had access to information in our files in their preparation of publications.

Enclosed is material available for general distribution by the FBI on the subject of communism, and copies of these reprints can be sent you in volume without charge, if desired.

Sincerely yours,

J. Edgar Hoover

Dear Mr. Hoover:

I am writing for information which I believe to be most vital to our country.

In our mail boxes here at Lee School, we found pamphlets, put out by Cinema Educational Guild, Inc. P. O. Box 46205, Hollywood, 46, California. We would like to know if this is an authentic corporation? The pamphlet is headed, "The Reds Are Back In Hollywood."

Any information you may send to us about this, will be greatly appreciated.

Dear Mr. [redacted]:

Your letter of January 27, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the FBI is an investigative agency of the Federal Government and, as such, does not make evaluations or draw conclusions as to the character or integrity of any organization, publication or individual. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry. Although this pamphlet indicates that the information found therein can be documented in the files of Government investigating Agencies, I can assure you that neither the Cinema Educational Guild, Inc., nor its National Director, Myron C. Fagan, has ever had access to information contained in the files of the FBI.

Enclosed is the pamphlet which you forwarded with your communication, and I wish to thank you for bringing it to my attention. Also enclosed is some material dealing with the general subject of communism which may be of interest.

Yesterday the enclosed pamphlet entitled "The Reds Are Back in Hollywood!" was placed on my desk. I am interested in knowing whether these people are being falsely accused as being pro-Communist, because some of them are publishers who sell their books to the schools of the nation.

I would appreciate a reply from you stating whether these people are called "Reds" because of the Guilds to which they are required to belong, or because of a smear campaign on the part of some group of people who are opposed to them individually.

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

CINEMA EDUCATIONAL GUILD, INC.,  
P. O. BOX 46205  
Hollywood 46, California

Compiled 1960  
RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
OF YOUR (TV)  
LIVING ROOMS —  
OUT OF RADIO —  
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propoganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-345

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That **ROCKED** the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their **pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

Dear Mrs. [Redacted]:

Your letter and enclosures were received on  
January 31, 1961.

I am pleased to know of your desire to help combat  
communism, and enclosed are publications available for general  
distribution by the FBI which offer citizens suggestions as to how  
they can take effective action in fighting subversive elements in our  
society today. Additional copies of these reprints can be sent you  
without charge, if desired.

With reference to your other inquiry, I am unable to  
help you since information in FBI files is confidential and available  
for official use only, due to a regulation of the Department of Justice.  
I can inform you, however, that the leaflet you forwarded has been  
brought to this Bureau's attention in the past, and you will note it  
contains a statement to the effect that the procommunist record of  
the individuals named therein are documented in the files of "other  
Government investigating Agencies." I want to assure you that the  
Cinema Educational Guild, Inc., and its national director, Myron C.  
Fagan, have not had access to information in our files in their prepa-  
ration of publications. Your enclosures are being returned.

It has been necessary on several occasions to have SAs admonish Myron C. Fagan, national director of the Cinema Educational Guild, Inc., (CEG) Post Office Box 46205, Hollywood 46, California, relative to his making use of the Director's name and that of the Bureau in the furtherance of his group's publications. The CEG disseminates sensational literature allegedly anticommunist.

Mr. E Hoover  
Washington, D. C.

Dear Sir:

I am enclosing a leaflet, which was given to me. This as a matter of grave concern to me, as an American citizen, & I would like to know how authentic these statements are.

If they are true, then the information should be made public. It is time for all Americans rich or poor, famous or not too band together & root out communism. If these people are Communists etc; then I have a duty to buy & help.

I am a charter member of [redacted] etc. And have a responsible position, as I am manager of [redacted] in [redacted]. I am explaining these things about myself, to prove that I am not a crackpot I and my friends will buy copies of this leaflet and get buzy among our neighbors, friends, business people etc; if this is true If the women in this small town alone, take this matter up, we can accomplish a great deal, to weed these people out. I do not wish to libel or hurt innocent people, but I get very angry when I hear about things like this We Americans have been too soft hearted towards this kind of treachery. Take E. R. Murrow for example. We have all listened to him, & respected him. However if this is true, he should be ousted from his new post (USIAR) & taken off TV and radio etc.

I do not want any publicity in this matter, or my name mentioned re/ this all I wish to do, is to help stamp this kind of thing out.

I will keep your reply confidential if you wish me to do so, & will await your reply.

Thanking you, I am

Yours truley

NOTE CONTINUED..... The Cinema Educational Guild is allegedly an anticommunist group which has been responsible for the distribution of many anticommunist pamphlets. Its national director, Myron C. Fagan, has attempted on several occasions to use the Director's name in the furtherance of his publications and group's activities, and he has been admonished on repeated occasions by our Agents in this regard. The last time he was contacted was in May, 1960, at which time he was implying that he had access to information in FBI files. (62-87267)

In this booklet it has printed names of movie stars & TV personalities. If what the booklet has printed is true I think something should be done about it. I have had this booklet for sometime and I haven't written before because I knew of two others who have. As far as I know they have not received an answer as yet.

The date of this letter is Jan. 27, 1961. I mention this date because, tonight, on the 11:00 p. m. news, I heard where the President has named Edward R. Murrow as head of an information bureau.

If you will please note in the booklet which names communists in TV, movies and Radio, also has Edward R. Murrow's name listed among the well known communists.

If this booklet has printed the truth please let me know and I don't think President Kennedy would want a known communist as head of any information Bureau.

Please acknowledge this letter as soon as possible.

Here you have the names of 200 of the most rabid REDS and fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

**AND REMEMBER THIS:**

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

To save America from the  
Communist Conspiracy —

**DON'T PATRONIZE REDS!!!**

KEEP THEM OUT  
OF YOUR (TV)  
LIVING ROOMS —  
OUT OF RADIO —  
OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propoganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD.

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans

That speech started the nation. The Hollywood Moguls frontally denied everything. That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars - and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing these REDS and the Red films. Paris swept through the entire industry - it chased Charlie Chaplin out of the country - it drove SCORES of other REDS off the Screen . . . and, for more important, it closed THOUSANDS of theatres!

THAT did the job! . . . It hit the Moguls in their most vulnerable spot: their pocketbook! - and all their "righteous" denials changed to pitiful pleas for forgiveness. They pitifully promised that "never again would they employ any REDS" - that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises - they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep these REDS "alive" - and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marshes, the Robinsons, the Millstones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM - ONE WORLDISM - DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever - even the Charlie Chaplin pictures are on the Screens again - and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

**TV AN EVEN GREATER MENACE**

Today, virtually all films for TV are made in Hollywood - by the Hollywood Reds! RIGHT NOW all the Hollywood lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your living room - and are brainwashing and poisoning your children right under your very eyes!!!

YOU can stop all that - by changing the theatres that show the REDS - by refusing to buy the products of the Sponsors who bring the REDS into your living room! You did it once - you can do it again!

Don't ever again FORGET that every time you patronize a film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your living room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America!!!

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Watch the Producers "credits" on every TV Show you see.

**How to How YOU Can Drive Them Out!**

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Red Piper". people out. I do not wish to libel  
or hurt innocent people, but I get very  
angry when I hear about things like this.  
We Americans have been too soft hearted  
towards this kind of treachery.

Take E.R. Murrow for example. We have  
all listened to him, & respected him.  
However if this is true, he should be ousted  
from his post (USA & A.D.) & taken off TV  
and radio etc.

I do not want any publicity in this  
matter, or my name mentioned. All  
I wish to do, is to help stamp  
this kind of thing out.  
I will keep your reply confidential

Dear Mr. [redacted]:

I have received your letter, with enclosure, of January 30, 1961, and I appreciate the interest which prompted you to communicate with me on this occasion.

While I would like to be of assistance in connection with the individual mentioned, information in the files of this Bureau is maintained as confidential and available only for official use in connection with a regulation of the Department of Justice. Please do not infer that we do or do not have in our files the information you desire.

I can advise, however, that the material you furnished has been brought to the attention of the FBI on a number of occasions. It is noted that the pamphlet includes a statement that the procommunist record of the individuals named therein is documented in the files of the House Un-American Activities Committee and other government investigating agencies. It may interest you to know that the Cinema Educational Guild, Inc., and its national director, Myron C. Fagan, have never had access to information in the files of the FBI in the preparation of any material distributed by that organization.

If you wish to obtain a list of the organizations which have been cited by the Attorney General as coming within the scope of Executive Order 10450, your request should be submitted to the Subversive Organizations Section, Internal Security Division, U. S. Department of Justice, Washington 25, D. C. You may also wish to refer to your local library for a copy of the

NOTE: Bufiles contain no identifiable information regarding the correspondent. No investigation of Edward R. Murrow has been made by the Bureau. He has received both favorable and unfavorable comments by the communist press on his TV programs. In 1942, he was listed as a sponsor for the Committee for the Care of Young Children in Wartime, cited as a communist front by the California Committee on Un-American Activities. The Cinema Educational Guild is allegedly an anticommunist group which has been responsible for the distribution of many anticommunist pamphlets. Its national director, Myron C. Fagan, has attempted on several occasions to use the Director's name in the furtherance of his publications and group's activities and he has been admonished on repeated occasions by our Agents in this regard. The last time he was contacted was in May, 1960, at which time he was implying that he had access to information in FBI Files. The Circuit Riders is a group of anticommunist laymen of the Methodist Church and we have enjoyed cordial relations with them.

Mr. J. Edgar Hoover  
Director of Federal Bureau of Investigation  
Washington, D. C.

Dear Mr. Hoover:

I have read your book and a great deal of other material dealing with the communist and their activities in this country. I first became interested in the communist activities because of certain literature in the Methodist church, of which I am a member. I purchased certain materials from Circuit Riders, Inc. and was amazed at the people, who are not necessarily communists, but who have lent their support to communist activities.

Enclosed is a pamphlet I obtained which lists certain parties who are not necessarily communists, but have assisted in the efforts of communism. You will notice that the pamphlet lists Edward R. Murrow, who has just been appointed by the President, Director of United States Information Agency. I feel like a thorough check should be made into this matter and if he has, whether knowingly or unknowingly, aided and abetted the communist movement it should be made known to the proper authorities whereby his appointment could possibly be prohibited.

I would appreciate you informing me where I can obtain additional literature, of reliable source, on the communist activities in this country.

Your very truly,

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

Compiled 1960  
 RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
 Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
 OF YOUR (TV)  
 LIVING ROOMS —  
 OUT OF RADIO —  
 OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious **"Hollywood Ten"** to jail. That **ROCKED** the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their **pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under **fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, **TELEVISION** became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — even the **Charlie Chaplin pictures are on the Screens again!**—and all the honors, including the **"Oscar"**, have been restored to them . . . all because the people have **forgotten!**

### **TV AN EVEN GREATER MENACE**

Today, virtually all films for TV are made in Hollywood — by the **Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, via your **TV Set**, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes!** . . .

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America!!!

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

### **Here is How YOU Can Drive Them Out:**

Read the following list . . . They are the best known of the REDS and **FELLOW-TRAVELERS** who made our **SCREEN** Communism's most effective "Pied Piper". They are now coming into your Living Room night after night **VIA YOUR TV SET** and Radio. . . . **WATCH FOR THEM!** . . . Keep this list with you **ALWAYS!** . . . When one of them appears on your SET send a copy of this Tract to the **SPONSOR** immediately—and **WARN** him that if he will bring another RED into your Living Room you will never again buy his products—and then **fulfill your warning!** . . . Give this Tract to your Grocer, you Butcher, to **ALL** Dealers you patronize — and **warn them** — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . **USE THE SAME METHOD WITH YOUR MOVIE THEATRE**

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor!!!** **REMEMBER:** every time you buy the products of a Sponsor who employs REDS you are hurting **YOUR COUNTRY!!!**

Dear Mr. Hoover:

Enclosed is a copy of a leaflet which is being circulated in Minden. I am concerned about the contents of this leaflet and about Cinema Educational Guild, Inc. I'm not the type to idolize movie stars. As a matter of fact, I seldom attend a movie, but what greatly concerns me is this: Apparently there are a great many innocent people on the list, people who are victims of slander of the worst kind. At least it appears so to me. So that I may become better informed, could you please tell me something of Cinema Educational Guild, Inc., and something of the list of names which have been compiled and printed in the enclosed leaflet?

If there is one person on the list who is innocent of the charges being made against him, then, as far as I am concerned, irreparable harm is being done.

Best Regards.

NOTE: It is to be noted that the pamphlet which Mrs. [REDACTED] forwarded with her communication entitled "Don't Patronize Reds!!!" has now had the objectional paragraph removed from it in which Cinema Educational Guild (CEG) had implied that the communist records of certain individuals are documented in either FBI files or the files of "other Government investigating Agencies." Consequently above reply appears appropriate. It has been necessary on several occasions to have SAs admonish Myron C. Fagan, national director of the Cinema Educational Guild, Inc., Post Office Box 46205, Hollywood 46, California, relative to his making use of the Director's name and that of the Bureau in the furtherance of his group's publications. The CEG disseminates sensational literature allegedly anticommunist.

RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT OF YOUR (TV) LIVING ROOMS — OUT OF RADIO — OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-348

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That **ROCKED** the nation! The people, **infuriated**, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, **it closed THOUSANDS of theatres!**

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their **pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "**never again would they employ any REDS**" — that "**never again would they produce RED-propaganda films**" and for a time they **seemingly** kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — even the **Charlie Chaplin pictures are on the Screens again!**—and all the honors, **including the "Oscar"**, have been restored to them . . . **all because the people have forgotten!**

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set**, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes ! ! . . .**

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America ! ! !

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc.

. . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

### Here is How YOU Can Drive Them Out:

Read the following list . . . They are, the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night **VIA YOUR TV SET** and Radio. . . **WATCH FOR THEM!** . . . Keep this list with you **ALWAYS!** . . . When one of them appears on your SET send a copy of this Tract to the **SPONSOR** immediately—and **WARN** him that if he will bring another RED into your Living Room you will never again buy his products—and **then fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and **warn them** — so they can **warn** the Sponsors — also send copies to your local TV and Radio Stations . . . **USE THE SAME METHOD WITH YOUR MOVIE THEATRE!**

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor ! ! ! REMEMBER:** every time you buy the products of a Sponsor who employs REDS you are hurting **YOUR COUNTRY ! ! !**

Dear Mr. [Redacted]

Your letter of January 30, 1961, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice, and are available for official use only. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry. Although some pamphlets issued by this group indicate that the information found therein can be documented in the files of Government investigating agencies, I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to information contained in the files of the FBI.

Enclosed is some material dealing with the general subject of communism which may be of interest to you.

Sincerely yours,

Dear Sir:

Lately I read a pamphlet published by the Cinema Education Guild Incorporated, Box 46205, Hollywood 46, California.

This pamphlet charged that Hollywood was being run by communists. It charged that many movie studios were communist owned and run. It also named about two hundred actors, actresses, producers, and composers who were supposed to be communists. It named many well-known manufacturers such as Ford Motors, General Electric, and United States Steel as being communist.

The pamphlet stated that if we saw any of these people on television, we should write the network and show our disapproval.

I would like to know the reputation and character of this organization which published this pamphlet. I would also like to know the aims in publishing this literature.

Thank you for any information you can give me to help me distinguish whether or not to believe this literature.

Sincerely yours,

/s/

Mr. J. Edgar Hoover  
Federal Bureau of Investigation  
Washington, D.C.

Dear Mr. Hoover:

I am enclosing a Tract which was presented to me this past week and ask that you advise me as to the authenticity of this material and the reliability of the firm publishing this Tract. I am planning on presenting some of this material to my Study Club as a current event, providing, of course, that this material is actually fact, and has been put out by a reputable and reliable firm.

We are especially alarmed to see the name of Edward R. Murrow on the list of known Communists or Fellow-Travelers, as we recently heard over the news that he is being appointed to head up the United States Information Agency by the present administration.

If you will, please let us have a reply to this letter, giving any information you might concerning this Tract. Also, is it possible to obtain a list of known Communists living in the Snyder, Texas area. We understand that there are several in this area and would like to know who they are.

Yours very truly,

Just recently I received a copy of the enclosed tract. Would you say that the facts as presented are true? If so why was the appointment of Edward R. Murrow by Pres. Kennedy accepted by the whole country without protest as far as I have been able to see and hear?

Will you please send me any free pamphlets and other literature to follow up the interest that the circulation of copies of the enclosed tract has created in my little home town.

I was given a copy so sent for 100 copies and I want your advice.

Should I give them to people or destroy them.

If these tracts are true I want to buy a thousand and give them.

Too many of the people listed are playing very prominent parts in the entertainment field and now also in govt. jobs - to be ignored, if this tract is to be relied upon.

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

(Name) .....

Street address City (Zone) State  
 This tract (RED STARS No. 3) can be obtained at the rate of: 100 copies for \$2.00 . . . send your order to:

CINEMA EDUCATIONAL GUILD, INC.,  
 P. O. BOX 46205  
 Hollywood 46, California

Compiled 1960  
 RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
 Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
 OF YOUR (TV)  
 LIVING ROOMS —  
 OUT OF RADIO —  
 OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That **ROCKED** the nation! The people, **infuriated**, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens, are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again!— and all the honors, including the "Oscar", have been restored to them . . . all because the people have **forgotten!**

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes!** . . .

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America!!!

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

### Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . **WATCH FOR THEM!** . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and **WARN** him that if he will bring another RED into your Living Room you will never again buy his products—and then **fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . **USE THE SAME METHOD WITH YOUR MOVIE THEATRE!**

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor!!! REMEMBER:** every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY!!!

Dear Miss [redacted]:

Your letter dated February 6, 1961, and enclosure have been received, and I am glad to know of your interest in my book, "Masters of Deceit."

Although I would like to be of service, I am unable to answer your specific inquiry since information in FBI files is confidential and available for official use only, due to a regulation of the Department of Justice. The pamphlet you forwarded has been brought to this Bureau's attention in the past, and you will note it contains a statement to the effect that the procommunist records of those individuals named therein are documented in the files of "other Government investigating Agencies." I want to assure you that the Cinema Educational Guild, Inc., and its national director, Myron C. Fagan, have not had access to information in our files in the preparation of this group's publications.

Your enclosure is being returned, and I am also enclosing material available for general distribution by the FBI on the subject of communism which you and your club members may find of interest. Additional copies of these reprints can be sent you without charge, if desired.

NOTE: Correspondent is not identifiable in Bufiles. The Cinema Educational Guild is allegedly an anticommunist group which has been responsible for the distribution of many anticommunist pamphlets. Its national director, Myron C. Fagan, has attempted on several occasions to use the Director's name in the furtherance of his publications and group's activities, and he has been admonished on repeated occasions by our Agents in this regard. The last time he was contacted was in May, 1960, at which time he was implying that he had access to information in FBI files. (62-87267)

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

 RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!

AMERICANS . . . .

To save America from the  
 Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
 OF YOUR (TV)  
 LIVING ROOMS —  
 OUT OF RADIO —  
 OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-354

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That **ROCKED** the nation! The people, **infuriated**, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "**never again would they employ any REDS**" — that "**never again would they produce RED-propaganda films**" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving (how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — **even the Charlie Chaplin pictures are on the Screens again!**— and all the honors, including the "**Oscar**", have been restored to them . . . all because **the people have forgotten!**

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set**, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes!** ! ! . . .

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America ! ! !

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); **Kraft Foods**; **General Electric**; **Chrysler**; **U. S. Steel**, etc. . . . among the worst offending TV Producing Studios are **Screen Gems, Inc.**; **MCA-REVUE**; **Warner Brothers**; **DESILU**; **Four Star Films, Inc.**; **Theatre Guild**, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

### Here Is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and **FELLOW-TRAVELERS** who made our **SCREEN** Communism's most effective "**Pied Piper**". They are now coming into your Living Room night after night **VIA YOUR TV SET** and Radio. . . **WATCH FOR THEM!** . . . Keep this list with you **ALWAYS!** . . . When one of them appears on your **SET** send a copy of this Tract to the **SPONSOR** immediately—and **WARN** him that if he will bring another RED into your Living Room you will never again buy his products—and then **fulfill your warning!** . . . Give this Tract to your Grocer, your Butcher, to **ALL** Dealers you patronize — and **warn them** — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . **USE THE SAME METHOD WITH YOUR MOVIE THEATRE!**

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor ! ! !** **REMEMBER:** every time you buy the products of a Sponsor who employs REDS you are hurting **YOUR COUNTRY ! ! !**

Dear Mrs. [redacted]:

Your letter of February 3, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice, and are available for official use only. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or that we do not have data in our files relating to the subject of your inquiry. This pamphlet indicates that the information found therein can be documented in the files of Government investigating agencies, and I can assure you that neither the Cinema Educational Guild, Inc., nor its national director, Myron C. Fagan, has ever had access to information contained in the files of the FBI.

Enclosed is some material dealing with the general subject of communism which may be of interest. I am returning the pamphlet which you forwarded and wish to thank you for bringing it to my attention.

Sincerely yours,

J. Edgar Hoover

**NOTE: Enclosure was a pamphlet concerning "Reds" in Hollywood and TV which has come to the Bureau's attention in the past. No record could be located in Bufiles identifiable with correspondent. The Cinema Educational Guild, Inc., is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Myron C. Fagan, its national director, has, in the past, attempted to use the Director's name in furtherance of his programs, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. (62-87267) Bufiles indicate that we have conducted no investigation regarding Edward R. Murrow but he, in the past, has been affiliated with some communist front organizations. We conducted a security investigation of Chet Huntley in 1951 which failed to develop any indication of Communist Party membership or affiliation with communist front groups.**

Dear Mr. Hoover:

The enclosed tract is alarming, but so much we read and hear is not factual. Therefore, will you please verify the authenticity of the pamphlet. I am especially interested in knowing if:

1. Are Edward R. Murrow and Chet Huntley Communists?
2. If so, why was Mr. Murrow appointed Director of the U. S. Information Agency.

Any information you can furnish me on the above will be appreciated.

Yours very truly,

Dear Mr. :

Your February 6, 1961, letter to Chief Inspector Sullivan has been referred to me, and it is encouraging to note your careful appraisal of the problems presented by communism.

With regard to the organization you mentioned, the confidential nature of the FBI's files prevents me from commenting either favorably or unfavorably about any specific individual or organization.

Because I believe that facts are essential in combating the menace of communism, I am taking the liberty of forwarding to you a number of my speeches and articles pertaining to this subject.

I have often called for a rational rather than a "vigilante" approach to the problem of communism, and I am happy to hear that that is the spirit in which you are planning your Freedom Forum for next month. May it be a success.

Sincerely yours,

J. Edgar Hoover

Dear Mr. Sullivan,

I heartily agree with the theme of your recent Dallas address to the Dallas Salesmanship Club, that Americans should become informed as to the true nature of the communist threat and approaches to the problem should be calm, reasonable and resolute.

We are planning to hold a Freedom Forum here in Tyler for the Northeast Texas area March 14-18, which we feel will do a lot to inform the people of this area as to the true nature of Communism, its goals, and what to do about it.

I am sure you are familiar with the Freedom Forum held in Dalbas last year; this is to be similar.

I shall appreciate your giving me information concerning the Cinema Educational Guild, Inc., Box 46205, Hollywood 46, California. This group no doubt has worthy goals, but I am wondering if this is the type of organization you were referring to in your Dallas talk; it appears to me that this is not the rational approach; if these Hollywood people are Communists or have refused to state whether or not they are Communists, I would like to have documented proof from an authoritative source, either the F. B. I. or one of the proper bodies of the Congress. I shall appreciate having your appraisal of this Guild, or direct me to the proper source for such evaluation.

Sincerely,

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: **their pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that **"never again would they employ any REDS"** — that **"never again would they produce RED-propaganda films"** and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — even the **Charlie Chaplin pictures are on the Screens again!**—and all the honors, including the "Oscar", have been restored to them . . . all because the people have **forgotten!**

### **TV AN EVEN GREATER MENACE**

Today, virtually all films for TV are made in Hollywood — **by the Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making **thousands** of TV films full of craftily camouflaged RED propaganda, and, **via your TV Set**, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes ! ! . . .**

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America ! ! !

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); **Kraft Foods**; **General Electric**; **Chrysler**; **U. S. Mr.

NOTE ON YELLOW:

Bufiles contain no information concerning correspondent. Correspondent requested appraisal of the "Cinema Educational Guild, Inc.," since she received a leaflet published by this Guild entitled "The Reds Are Back in Hollywood." Correspondent is disturbed by the appointment of Edward R. Murrow as Director of the United States Information Agency (USIA). Mr. Murrow is a prominent news commentator who has been appointed Director of the USIA. The Bureau is currently conducting a special inquiry for the White House in connection with this appointment. He has been described either as a member of, sympathetic to, sponsor of, or on the mailing list of, or associated with a number of cited organizations. (62-86094)

The Cinema Educational Guild, Inc. is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Semitic, and anti-Negro pamphlets. The leaflet "The Reds are Back in Hollywood" has been published by the Guild. Myron C. Egan, its Director, has in the past attempted to use the Director's name in furtherance of his program, and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any way. (62-87267)

The following literature was sent to correspondent:

1. "The Communists Are After Our Minds."
2. "How to Beat Communism."
3. "Breaking the Communist Spell."
4. An Analysis of the 17th National Convention of the Communist Party, USA. (Reprint from FBI Law Enforcement Bulletin, March, 1960.)

Gentlemen:

The purpose of this letter is twofold. First, I should like an appraisal of the organization known as the "Cinema Eduactional Guild, Inc"., P.O. Box 46205, Hollywood 46, California. The reason is that a few weeks ago I acquired a leaflet published by this Guild entitled "The Reds Are Back In Hollywood". Compiled -1960 - List #3. This leaflet lists approximately two hundred persons who are supposedly "rabid Reds" or "fellow travellers". Is this an authentic bona-fide anti-Communist organization, or not? Secondly, although several of the personages indicated as Reds surprised me, the names of Mr. Ghet Huntley and Mr. E. R. Murrow astounded me.

Now, this Sunday morning, relaxing with the morning paper, as an average American citizen would, I am again jolted with the front page item in the Milwaukee Journal concerning the appointment of Edward R. Murrow to the post of Director of U. S. I. A. by President Kennedy. This, to me seems incredible. Perhaps you can appreciate my concern. In view of his being listed as a Red I can't conceive of his placement in this important post. Someone must be in error. Perhaps the list, the pamphlet, the entire organization is a hoaz. Yet it states that all the individuals named are documented in the files of the House un-American activities committee. Its impossible to believe that President Kennedy wasn't informed of Mr. Murrow's leanings. Ther must be an answer to this paradox. Being genuinely interested, yet at loss as to where to seek the truth, I write your office trusting you may be of assistance. Thank You.

NOTE ON YELLOW:

Correspondent enclosed a pamphlet issued by the Cinema Educational Guild, Incorporated, (CEG) which lists approximately 200 individuals in the entertainment industry who are allegedly associated with communism. He states he observed the names of Chet Huntley and Edward R. Murrow on this list and believes that if the information concerning them is true he has a moral obligation to get this information before other people. He has, therefore, ordered a number of these pamphlets for distribution and to send to his Congressmen. However, he desires confirmation of the information concerning these individuals prior to taking any action.

He states that a friend wrote to the CEG to determine if the Chet Huntley mentioned in the pamphlet was identical with the man who is sponsored by Texaco News. Correspondent enclosed a copy of a letter from the CEG addressed to Mr. [REDACTED] which indicates that Chet Huntley is identical with the man sponsored by Texaco. This letter indicates that the CEG in a forthcoming news bulletin will furnish a complete documentation on Huntley.

Bufiles contain no identifiable information concerning the correspondent or his friend, [REDACTED]

Chet Huntley, a well-known television commentator, was the subject of a security investigation in 1951 which failed to develop any indication of Communist Party membership or affiliation with a front organization. (100-378033)

Edward R. Murrow is a prominent news commentator with the Columbia Broadcasting System who has been appointed Director of the United States Information Agency. We are currently conducting a special inquiry for the White House in connection with this appointment. He has been a member, associated with, sympathetic to, or a sponsor of a number of cited organizations in the past. (62-86094)

NOTE ON YELLOW, CONTINUED

Gentlemen,

We attach hereto a tract which is self explanatory as published by Cinema Educational Guild, Inc. P.O. Box 46205, Hollywood 46, California.

Needless to say I have been greatly concerned about Communism in this great Nation of ours for some time. When men's name such as Chet Huntley and Edward R. Murrow appear on a list of this nature it is due time that we as individuals find out the facts. I for one sincerely believe that we as individuals have a moral obligation to get this information before the people in the event it is true.

For this reason we have ordered a number of these tracts but before we organize as individuals and actually try to do something about the situation by writing our Congressmen and State Representatives and getting information of this nature before the people so that they to may become conscious of our National situation, if it is permissible for your Department to divulge this information, we would greatly appreciate confirmation on the list of names that appear on the attached tract.

We have no desire to become a part of a scare campaign of any nature, but it is our honest opinion that it may be even later than we think and there is a great number of people in our immediate area that is definitely interested in doing our part in combating Communism.

One on my associates who is also vitally interested has written Cinema Educational Guild, Inc. P.O. Box 46205 Cole Branch, Hollywood 46, California to determine if the Chet Huntley mentioned on the attached tract is the man who is sponsored by Texaco New.

This associate received the following letter which we have duplicated and is hereto attached.

As previously mentioned we would greatly appreciate your comments and certainly would appreciate any suggestion that you would be willing to offer that would help us as individuals banded together to legally combat this growing situation. We are convinced that we are living in a day and an hour when principle can no longer be sacrificed for material things. We know our freedom is being threatened and we feel like we as individuals can do something about it.

Please accept my apology for taking up your valued time but we would certainly appreciate your comments.

Mr.

Dear Mr. :

The Chet Huntley in our list is the man who is sponsored by Texaco News. We have received many inquiries and requests for actual documentation on him because of the efforts of Texaco and his net work to shield him.

In one of our next News-Bulletins -- perhaps the very next one, we will profile a complete documentation on the man, and I can assure you that all of his protests of innocence will be torpedoed to such a degree as to completely silence him.

Sincerely yours,

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway—and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That **ROCKED** the nation! The people, **infuriated**, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their **pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "**never again would they employ any REDS**" — that "**never again would they produce RED-propaganda films**" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

Mr. [redacted]

Post Office Box 2240

Dear Mr. [redacted]:

Your letter dated February 2, 1961, with its enclosure, has been received, and your interest in writing to me is indeed appreciated.

I can well understand your desire to obtain accurate information concerning various individuals and organizations, and I regret that it is not possible for me to comply with your request. The FBI is strictly an investigative agency of the Federal Government and, as such, cannot furnish clearances, evaluations or comments concerning the character or integrity of any individual, publication or organization. Furthermore, a regulation of the Department of Justice prohibits the disclosure of information in our files to other than appropriate agencies in the executive branch of the Federal Government.

I can advise you, however, that the pamphlet enclosed with your letter has been brought to my attention on a number of occasions. Some of the issues of this pamphlet have included a statement that the procommunist records of the individuals named therein are documented in the files of the FBI. It may interest you to know that the Cinema Educational Guild, Incorporated, and its National Director, Myron C. Fagan, have never had access to information in the files of the FBI in the preparation of any material distributed by that organization.

NOTE ON YELLOW:

Correspondent enclosed a pamphlet issued by the Cinema Educational Guild, Incorporated, Hollywood, California, which lists approximately 200 individuals in the entertainment field and alleges that they are communists or communist sympathizers. Correspondent states he has received several of these pamphlets and has noted that Edward R. Murrow is included in the list. He hesitates to accept this data as being factual without documentation and inquires if the Director can inform him if the facts as stated in the pamphlet are correct without divulging any classified information. He also inquires if the Cinema Educational Guild is a reputable organization. Bufiles contain no identifiable information concerning the correspondent.

The Cinema Educational Guild is allegedly an anticommunist group which has been responsible for the distribution of anticommunist, anti-Negro and anti-Semitic pamphlets. Fagan has attempted to use the Director's name in the past in furtherance of his programs and it has been necessary on several occasions to contact him and request that he refrain from mentioning the FBI in any manner. He was most recently contacted on May 31, 1960, concerning a reference to the FBI in the above pamphlet which might imply that he had access to Bufiles. (62-87267)

Mr.

NOTE ON YELLOW, CONTINUED

Edward R. Murrow is a prominent news commentator with the Columbia Broadcasting System who has been appointed Director of the United States Information Agency. The Bureau is currently conducting a special inquiry for the White House in connection with this appointment. He allegedly has been a member of, associated with, sympathetic to, or a sponsor of a number of cited organizations. (62-86094)

The following items of literature were sent to the correspondent:

1. "Expose of Soviet Espionage."
2. "Communist Target - Youth."
3. Reprint from "FBI Law Enforcement Bulletin," March, 1960, with an analysis of the 17th National Convention of the Communist Party, USA.
4. "What You Can do to Fight Communism and Preserve America."
5. "One Nation's Response to Communism."

The Honorable J. Edgar Hoover  
 Federal Bureau of Investigation  
 Washington, D. C.

Sir:

Within the last few weeks, I have received several of the attached pamphlets relative to individuals in the entertainment world who are listed as being active against the best American interests.

*Wash. DC*

Several of the names contained in this list are very popular; and, only recently has the present administration appointed Edward R. Murrow to head our Information Bureau and Voice of America. I rather hesitate to absorb all this data as being factual without documentation and am wondering if you can inform me if the facts as stated in this pamphlet are correct without divulging, of course, any classified information.

*SEARCHED*  
*INDEXED*  
*FEB 16 1961*

I am quite sure that probably some of the individuals listed have backgrounds which are not one hundred percent American. Your advice will be greatly appreciated. Also, is the Cinema Educational Guild a reputable organization?

Very truly yours,

Here you have the names of 200 of the most rabid REDS and Fellow-Travelers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

Compiled 1960  
 RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
 Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
 OF YOUR (TV)  
 LIVING ROOMS—  
 OUT OF RADIO —  
 OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

ISM . . . and still other films that deliberately created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That ROCKED the nation! The people, infuriated, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed THOUSANDS of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their pocketbook! — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But actually they were merely waiting for the people to forget. And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") under fictitious names . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people did begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify MARXISM—ONE-WORLDISM—DESEGREGATION!

In short, TODAY the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again! — and all the honors, including the "Oscar", have been restored to them . . . all because the people have forgotten!

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the Hollywood Reds! RIGHT NOW all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are brainwashing and poisoning your children right under your very eyes ! ! . . .

YOU can stop all that!—by shunning the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! You did it once—you can do it again!

Don't ever again FORGET that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room VIA YOUR TV SET you will be helping Moscow and the INTERNATIONALISTS to destroy America ! ! !

Among the worst offending Sponsors are FORD MOTORS (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . Watch the Producer's "Credits" on every TV Show you see.

### Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night VIA YOUR TV SET and Radio. . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . Hit the pocketbooks of the Sponsor ! ! ! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY ! ! !

Mr. J. Edgar Hoover  
Federal Bureau of Investigation  
Washington, D. C.

Dear Mr. Hoover:

A List of alleged Communists is being widely circulated by the Cinema Educational Guild, Inc., Box 46205, Hollywood 46, California. What do you know of this organization, and are they a reliable source of information? They are sure enough of their facts to make the list available to the public, and they are being sent through the U. S. Mails.

Mr. Edward R. Murrow is on this list.

President Kennedy has appointed Mr. Murrow as head of our information service. Since this is a key position, I am asking you to make a full and complete investigation of Mr. Murrow, and I am going to ask that Mr. Murrow be removed from office until these charges against him be disproved.

Casting doubt on the loyalty of any American is a serious charge. Yet our very willingness to believe the best of all men is one of the most potent weapons of Communism. Until the information collected and distributed by the Guild is proved to be false, I will presume Mr. Murrow to be a Communist.

I am presently reading your book, Masters of Deceit. Any further reading suggestions you might have would be most appreciated.

Very truly yours,

Dear Mr. Hoover:

The Cinema Education Guild Inc., in two pamphlets, has branded (1) over 200 Hollywood stars, writers, directors, and producers as fellow followers, and (2) the United Nations as a death trap. Please tell us if this information is correct, as we have been questioned from all sides on these pamphlets. Named in the pamphlets were people such as Edward R. Murrow, Chet Huntley, Frank Sinatra and many others.

This information would be greatly appreciated. We feel this is a cause we must bring to the fore-front. If we are thwarted by insinuations which brand us, the teachers, as radicals; then we cannot hope to accomplish our end, which is to wake up the students and the public to this awesome threat which exists.

Mr. J. Edgar Hoover  
Director  
Federal Bureau of Investigation  
Washington, D. C.

Dear Sir:

Enclosed is a report by the Cinema Educational Guild, Inc., which I received in the mail today. I would like to know how much of the information in the report is really true.

I am very much interested in finding out more about the communist conspiracy and fighting it as effectively as I can. However, I am hesitant in supporting the C.E.G. because this pamphlet does not go along with other anti-communist literature I have read and they only cite their own publications as documentation.

I have read your book "Masters of Deceit", and have found it very helpful as one of the first books to recommend for new "enlistees" in the fight against communism. Also I have several U.S. Government pamphlets which were written by you on the subject.

I would certainly appreciate it if you would have someone go through this enclosure and mark any and all untrue statements and return it to me.

Yours sincerely

Dear Mrs. [redacted]:

Your letter and enclosure were received on February 10, 1961.

Although I would like to be of service, information in FBI files is confidential and available for official use only, due to a regulation of the Department of Justice. Please do not infer, however, in this connection either that we do or that we do not have data relating to the subjects of your inquiry.

The pamphlet you forwarded has been brought to our attention in the past, and you will note that it contains a statement to the effect that procommunist records of the individuals named therein are documented in the files of "other Government investigating Agencies." You can be assured that the Cinema Educational Guild, Inc., and its national director, Myron C. Fagan, have not had access to information in our files in the preparation of their publications.

Your enclosure is being returned, and I am also sending you publications on the subject of communism available for general distribution by the FBI which you may find of interest.

Sincerely yours,

John Edgar Hoover

Dear Sirs:

I saw a pamphlet put out by the Cinema Educational Guild, Inc. P. O. Box 46, 205, Hollywood, 46, Cal. It is for sale at \$2.00 per hundred copies. It lists the names of approximately 200 persons including actors, commentators, and movie or TV producers. Ed. R. Morrow and Chet Huntley are listed thereon.

The information in the pamphlet is to the effect that those named there in have all been listed by the FBI as "pinks" "Reds" "Subversives" or have definite leanings that way - It was printed with red ink.

I would like to be advised whether you recognize this pamphlet from this description and if so whether all the persons listed have been so classified by the FBI. Or do you have such a list that is available. I would appreciate receiving one.

If you have no copy of this pamphlet I would be happy to secure one for you but hesitate to buy 100 copies before knowing whether the list of names and information is correct.

Dear Sir:

This little pamphlet is being circulated in this area, and there seems to be a small campaign underway to try to get people to black-list those whose names are listed.

I am concerned about the inroads Communism is making in our country, but I also want to know that my sources of information are reliable. I wonder if the publisher of this pamphlet, Cinema Educational Guild, Inc. is a reliable concern, and if all the people listed here are either Reds or Fellow-Travellers as charged. I particularly note that Edward R. Murrow and Chet Huntley appear on the list.

I know you are extremely busy, but I would appreciate it very much if you could give me some information about this. I am enclosing a stamped self-addressed envelope for your convenience.

Dear Mr. Hoover:

*Cinema Educational Guild*

I wish to take this opportunity to express to you our thanks for the great debt of gratitude which we, the American people, owe you for the tremendous, dedicated job you have done, and continue to do, in protecting our liberties and our lives.

Little will most Americans ever realize just how much they do owe to John Edgar Hoover! I know that the origin and development of the entire F. B. I. reflects your thoughts, your aims and your goals for the protection of this wonderful country of ours.

I know that you were alert to the goals and tactics of Communism in America back in the days when most citizens and politicians felt that the Communist Party was just another crack-pot political party, one to be unconcerned about.

Few Americans will ever fully understand your dedication, your unswerving loyalty, your incorruptibility over the years, regardless of the prevailing political moods of the people over nearly four decades of depression, of war and peace.

The personal sacrifices you must have made in recognition of the tremendous responsibility you carry will be little understood or recognized by most Americans, nor will they ever realize the many discouragements you have encountered in carrying out unrelentingly your mission despite the obstacles. Perhaps few men in modern American history have understood as well as you just how valuable our freedoms here are and how they are threatened by Communist subversion, coupled with our apathy in our modern concern for the materialistic trappings of our affluent society.

So, perhaps I represent more grateful Americans than you realize, Mr. Hoover, when I say that we deeply appreciate the great job you continue to render America while most of us go our mundane way, blase, but contented in the thought that "God is on our side" -- and JOHN EDGAR HOOVER!

Sincerely,

Dear Sirs,

I am inquiring as to the accuracy of the enclosed pamphlet,  
which was recently received by mail.

So many so called gimmicks that sound like this are circulating

It is a well written document if it stands for the purpose it

J. Edgar Hoover, Dir.  
Federal Bureau of Investigation  
Washington, D. C.

Sir, I have a copy of "The Reds are Back in Hollywood"  
#3, published by the Cinema Educational Guild Inc. In  
this pamphlet it states, the names with documented records  
are in the "files of House Unamerican Activities Committee  
in the Calif. State Senate Fact Finding Committee, & other  
Government Investigating Agencies." Where could I write for  
further information on communists, and "fellow-travlers" in  
this industry? Can a private citizen obtain copies of such  
documents and or any more information that a family can  
use as a guide? As a mother I do not want my family watching,  
sponsors, actors, writers etc, who try to infiltrate our minds  
with socialistic or true communistic ideas. Their filtration and  
propaganda is everywhere & we want to become aware of this so  
that we can do our part in the, not so cold, war against  
Communism. Quoting from your book "Masters of Deceit"  
"But we may not learn until it is too late to recognize who are  
the Communists, what they are doing, & what we ourselves,  
therefore, must do to defeat them." I want to learn before  
it is too late.

Mrs. [Redacted]

Dear Mrs. [Redacted]:

Your letter of February 9 has been received, and I appreciate the interest and concern which prompted you to write.

While I would like to be of service to you, the files of the FBI are maintained as confidential pursuant to a regulation of the Department of Justice. Since this Bureau is strictly an investigative agency, it does not issue clearances or nonclearances of any individual. Accordingly, I am unable to comment on any of those persons named in your communication.

I appreciate the fact that you have always had faith in the FBI and I would not want you to lose your confidence in our organization. Unfortunately, there is misunderstanding among the American people concerning the jurisdiction and responsibilities of this Bureau. This often leads to the mistaken belief that we can initiate action in any field of law enforcement we choose. Our fields of operation are established by Congress through the statutes it enacts, and I can assure you that we vigorously discharge our responsibilities in safeguarding the internal security of our Nation within the limitations of our assigned jurisdiction.

Inasmuch as the matter you discussed is legislative in nature, may I suggest you consider making your views known to your Congressman. I am enclosing some literature which may be of interest to you.

Sincerely yours,  
J. Edgar Hoover

Dear Sir:

I am only a young mother, housewife, and former teacher. I speak for many of the "unheard from" in America.

Sir, we are deeply concerned about Communism in our own country. It seems that this type is even more dangerous and threatening than Communism abroad. At least we know where foreign Communism exists, but it is so well concealed at home.

The Amarillo Globe-Times, February 8, gave an account of the acceptance of Robert C. Weaver as federal housing chief. It stated that the FBI gave a clear loyalty report on this man. Tell me, Sir, should anyone who has ever been a member of a subversive group be cleared for a top U. S. position? There should be a maximum penalty for having been associated, even innocently as Mr. Weaver declares, with such groups. If not a penalty, then they should at least be ineligible to hold any government positions.

In its "Milestones" column of February 10, Time Magazine notes that Eugene Dennis served only a five-year sentence for being the leader of U. S. Communists. How can America sit back and be so lenient with such traitors? Our country is becoming a literal haven for them, and now I hear rumored that the House Un-American Activities Committee may be abolished.

We have in our possession a list of Hollywood Communists, published by the Cinema Educational Guild, Inc. If this list is authentic, some of President Kennedy's friends and other appointees are as RED as they come--namely, Frank Sinatra and Edward R. Murrow. Did you also "clear" Mr. Murrow? It appears to some that perhaps the FBI also needs investigated.

We Americans have always had faith in the FBI, and we dislike having that faith shaken. We must have faith in something during these difficult times.

Very truly yours,

Dear Mr. Hoover:

I am a teacher of American History in the Minden High School. My students are becoming increasingly aware of the infiltration of Communism within our country. They read and discuss all of the pamphlets which we receive.

Recently a small pamphlet was brought to my attention by a student entitled, "Tract" which is a compiled list of alleged "reds" in the movie industry. It is being sent out by the Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood 46, California.

The students are very concerned about this listing and wish to know something of its publisher. Many of them would like to order other copies but fear their name might be added to an undesirable mailing list. Do you have any information on this matter?

Does your office have available copies of a pamphlet called "Communist Target-Youth?" If so may we have 150 copies for use in these classes of history and government?

Thanking you, I am,

Very truly yours,

Mr. J. Edgar Hoover  
Federal Bureau of Investigation  
Washington, D. C.

Dear Mr. Hoover:

Enclosed is a pamphlet on the Red Infiltration of the movies and T. V. I would like to know if this is authentic and if the company from which they can be ordered, namely, "Cinema Educational Guild, Inc., P. O. Box 46205, Hollywood, 46, California," as stated on the last page of the pamphlet, is reliable and working for the interests of our country. If this article is authentic it would be of great help to us, as parents, in choosing movies and T. V. shows for our children. It could also be used to help clean up the rash of trashy movies and T. V. shows that are being offered at the present. I would like to use these -----but only after they have been cleared by your department, which has done such a magnificent job in the past, and we hope and pray that it may be permitted to continue.

Enclosed, also, is a stamped self addressed envelope.

Thanking you, I remain

Yours

Here you have the names of 200 of the most rabid REDS and Fellow-Travellers. There are MANY more, but lack of space prevents the naming of all. However, those in this list are the most important and flagrant—drive them out and it will smash the entire RED Conspiracy in Hollywood and in TELEVISION.

AND REMEMBER THIS:

When and if any Sponsor or Producer or TV Channel official will insist that the RED in his show is "innocent" and "unjustly maligned", don't you believe it—because the pro-Communist record of every individual named in this list is documented in the files of the House Un-American Activities Committee, in the California State Senate Fact-finding Committee, and other Government investigating Agencies.

This tract (RED STARS No. 3) can be obtained at the rate of: 100 copies for \$2.00 . . . send your order to:

CINEMA EDUCATIONAL GUILD, INC.,  
 P. O. BOX 46205  
 Hollywood 46, California

Compiled 1960  
 RED STARS — No. 3

THE REDS ARE BACK IN HOLLYWOOD!!!

AMERICANS . . . .

To save America from the  
 Communist Conspiracy —

DON'T PATRONIZE REDS!!!

KEEP THEM OUT  
 OF YOUR (TV)  
 LIVING ROOMS —  
 OUT OF RADIO —  
 OFF THE SCREEN

This Tract tells how YOU can do it!

In 1947, in a speech in Hollywood, Myron C. Fagan, famous Playright-Director-Producer, charged that the REDS had acquired absolute control of Hollywood and Broadway — and transformed our Stage, Screen and Radio into the Communist Conspiracy's most effective Fifth Column in America . . . that the RED Stars, Directors, Writers and Producers of Hollywood were the chief supporters, financial and otherwise, of Communist propaganda in America . . . that many films made by the Hollywood REDS were being used by Moscow in Asia, Africa and throughout the world to create hatred of America and Americans . . . that other films were made to craftily glorify COMMUNISM and ONE-WORLD-

62-87267-376

ISM . . . and still other films that **deliberately** created dissensions and hatreds between Negroes and Whites, between North and South, between Minority Groups and Americans.

That speech startled the nation. **The Hollywood Moguls frantically denied everything.** That brought the House Un-American Activities Committee into action. Their Hearings in Hollywood and Washington fully confirmed all the (Fagan) charges against the industry and all the named Stars — and sent the notorious "Hollywood Ten" to jail. That **ROCKED** the nation! The people, **infuriated**, began to "blacklist" the theatres showing those REDS and the Red Films. Panic swept through the entire industry—it chased Charlie Chaplin out of the country—it drove SCORES of other REDS off the Screen . . . and, far more important, it closed **THOUSANDS** of theatres!

THAT did the job! . . . it hit the Moguls in their most vulnerable spot: their **pocketbook!** — and all their "righteous" denials changed to piteous pleas for forgiveness. They piously promised that "never again would they employ any REDS" — that "never again would they produce RED-propaganda films" and for a time they seemingly kept their promises—they even barred all tainted Stars from "Oscar" honors.

But **actually** they were merely waiting for the people to **forget.** And even while "waiting" they were scheming and conniving how to keep those REDS "alive" — and finally bring them back into public favor . . . they continued to employ RED writers, (even the "Hollywood Ten") **under fictitious names** . . . they secretly financed pictures made in Europe by banished American REDS . . . other RED Stars were "taken care of" in Broadway plays . . . then, as it grew in stature and importance, TELEVISION became their greatest sanctuary!

And, tragically, the people **did** begin to "forget". And, gradually, the Marches, the Robinsons, the Milestones and all the other REDS began to creep

back into Hollywood . . . and once again our theatre Screens are showing films that sanctify **MARXISM—ONE-WORLDISM—DESEGREGATION!**

In short, **TODAY** the REDS are back in Hollywood stronger and more brazen than ever — even the Charlie Chaplin pictures are on the Screens again!— and all the honors, including the "Oscar", have been restored to them . . . all because the people have **forgotten!**

### TV AN EVEN GREATER MENACE

Today, virtually all films for TV are made in Hollywood — by the **Hollywood Reds!** **RIGHT NOW** all the Hollywood Lots are making thousands of TV films full of craftily camouflaged RED propaganda, and, via your TV Set, they are being piped into your Living Room—and are **brainwashing and poisoning your children right under your very eyes!** ! ! . . .

**YOU** can stop all that!—by **shunning** the theatres that show the REDS—by refusing to buy the products of the Sponsors who bring the REDS into your Living Room! **You did it once—you can do it again!**

Don't ever again **FORGET** that every time you patronize a Film made by RED Producers, Writers, STARS and STUDIOS you are aiding and abetting Communism . . . Every time you permit REDS to come into your Living Room **VIA YOUR TV SET** you will be helping Moscow and the **INTERNATIONALISTS** to destroy America ! ! !

Among the worst offending Sponsors are **FORD MOTORS** (Ed Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc.; MCA-REVUE; Warner Brothers; DESILU; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . **Watch the Producer's "Credits" on every TV Show you see.**

### Here is How YOU Can Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper". They are now coming into your Living Room night after night **VIA YOUR TV SET** and Radio. . . . **WATCH FOR THEM!** . . . Keep this list with you **ALWAYS!** . . . When one of them appears on your SET send a copy of this Tract to the **SPONSOR** immediately—and **WARN** him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize — and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . **USE THE SAME METHOD WITH YOUR MOVIE THEATRE!**

THAT is the only way we will drive the REDS out of Hollywood — Radio —Television . . . **Hit the pocketbooks of the Sponsor ! ! ! REMEMBER:** every time you buy the products of a Sponsor who employs REDS you are hurting **YOUR COUNTRY ! ! !**

Dear Mr. [Redacted]:

Your letter of February 15, 1961, with enclosure, has been received, and the interest which prompted you to write is appreciated.

Although I would like to be of service, the files of the FBI are confidential in accordance with regulations of the Department of Justice and are available for official use only. Dear Sir:

Some time ago I was handed one of the enclosed phamplets. I wrote to Cinema Educational Guild, Inc. ordering more phamplets which I received by mail. Since that time I have been receiving literature from them from time to time. I now would like some information in regard to this organization. Is it legitimate or might they in turn be a communist organization? I hope you can answer this question for me as, if this literature is true the American people should do something about it as stated in their phamplet and if not something should be done about their organization, and the people should be alerted against them. Thank you for your cooperation.

Very truly yours,

Dear Mr. Hoover:

I have inclosed a tract (RED STARS No. 3) which I received from the CINEMA EDUCATIONAL GUILD INC. I believe the information to be true but I have had a difficult time making my pastor and friends believe and except the information. They say it isn't enough proof for them that they are documented in the files of the House Un-American Activities Committee in the California State Senate Fact-finding Committee, and other investigating Agencies. They seem to think any matter such as this can be said to be documented but it does not have to be.

If you could furnish me with more proof or let me know where I can get more proof as to the truths published in the inclosed tract, and other tracts, I would be ever thankful to you.

Honorable J. Edgar Hoover, Director

Washington, D. C.

Dear Sir:

A student in my government class has come into possession of a so-called "Reds-in-Hollywood" tract, published by the Cinema Educational Guild, Inc., of Hollywood, naming 200 well-known entertainers, authors, and news commentators as "reds and fellow-travelers". Included in the list were the names of Edward R. Murrow and Chet Huntley, both of whom I have always considered to be influential and patriotic Americans. The allegations of the pamphlet were supposedly "documented in the files of the House Un-American Activities Committee..."

*Both No. locality*

I would certainly appreciate any light your organization might shed on the organization and the findings of the Un-American Activities Committee regarding the allegations contained in the pamphlet.

In this section of the country we are constantly thwarted by ultraconservative groups which label everything they oppose as "communistic and atheistic". My tasks as a teacher are rather difficult without clear refutation or documentation by reliable sources.

Any assistance you can give in this matter will be sincerely appreciated.

With continued best wishes, I am,

Correspondent's Enclosure

NOTE: Correspondent is not identifiable in Bufiles. The Cinema Educational Guild is allegedly an anticommunist group which has been responsible for the distribution of many anticommunist pamphlets. Its national director, Myron C. Fagan, has attempted on several occasions to use the Director's name in the furtherance of his publications and group's activities, and he has been admonished on repeated occasions by our Agents in this regard. The last time he was contacted was in May, 1960, at which time he was implying that he had access to information in FBI files.

Washington, D. C.

Gentlemen:

Enclosed is a tract, Red Stars #3, Published by Cinema Educational Guild, Inc., Box 4625, Holly 46, California, which has been handed to me and it is very disturbing.

Is Cinema Educational Guild a reliable firm? Can we depend on the authenticity of their publications? Also, will you verify the correctness of the tract regarding the list of producers and stars?

If you can verify the correctness of this list, I intend to order a supply of these and write to the various sponsors and producers.

There are a number of names on here that make it hard to believe to be absolutely correct. Frank Sinatra's name appears and he took a very active part in the presidential campaign election for Kennedy. Chet Huntley--an award winning TV news show, Edward R. Murrow--the internationally known news commentator, Jane Wyatt--Father Knows Best.

Dear Mr. Hoover,

My name is . I am fourteen years old and I go to Sidney Lanier Junior High School. My History teacher read our class a list of actors, composers writers, and directors. Later on my Homeroom teacher read us this same list which stated that every person on the list was a communist, and it said that some of these people were fellow-travelers. It also stated that they were listed on the Un-American Activities list. I would like to know if it is true, that the people on the list that I have inclosed are all communists or Fellow-travelers. I am interested because I feel that this is the age when we will be most affected by communism, and that as an American it is my duty to keep communism from spreading into this country, as Lenin predicted. I am most appreciative of your attention in this matter.

Sincerely Yours,

Dear Mrs. [redacted]:

Your letter of February 22, 1961, has been received.

Although I would like very much to be of assistance to you, information in the FBI files is confidential and available for official use only, due to regulations of the Department of Justice.

Literature from the organization you mentioned has been brought to the attention of this Bureau in the past, and one of the pamphlets it distributes, probably the one to which you refer, has a statement that data contained therein is documented in the files of certain Government investigating agencies. I would like to assure you that the Cinema Educational Guild, Inc., and its national director, Myron C. Fagan, have never had access to the files of the FBI.

In view of the concern you expressed, I am enclosing material available for general distribution by this Bureau on the subject of communism which may be of interest to you and your children. Additional copies of these reprints can be sent you, if desired.

Dear Mr. Hoover,

It has come to my attention that a small printed circular is making the rounds at our local high school causing much discussion and shock. Listed on the tract are over 100 names of famous movie, television, and Broadway stars.

All are condemned as being "Reds". It is recommended that they be literally frozen out by not patronizing anything even remotely connected with any of them.

My training as a newspaper reporter has taught me not to take such dangerous material at face value. I want to know by what authority these people are accused. I want to know WHO accuses them. I want to know if the accuser has a clean slate. I want to know ALL — before I read such a list of accusations and believe it.

If the accusations are true, may God help us for the jelly fish we have become!

These tracts are available at the following address: "Cinema Educational Guild, Inc., Box 46205, Hollywood 46, Calif."

Please send me information on this Guild and please, please tell me what I can tell my teenager who is discussing this in her class and my eight year old twins who have heard about it.

Sincerely yours,

Gentlemen: The attached pamphlet has recently come into my possession and if it is authentic, I would like to use it at a discussion meeting in the Mintzenty Group of which I am a member in the church which I attend, St. Mary's Roman Catholic Church of South Dartmouth, Mass.

If it is allowed by your Bureau, may I be informed as to standing of the Sponsors of this literature? Who are they, viz: The Cinema Educational Guild, Inc. of Holleywood, California? Are they a legitimatly registered group, really fighting the tactics of the Communistic activities in this Country? I certainly do not wish to be quoting any group organized to cover up another group. If possible, may I have a list of their officers? Thanking you in advance for any information you are allowed to give under your rules or restrictions, I am,

The John Birch Society was founded by Robert Welch of Belmont, Massachusetts. It is allegedly an anticommunist organization; however, Welch has stated that the Society might take on the appearance of a "front" in order that it might attract true subversives. During the Eisenhower Administration, Welch was openly critical of the President. His book, "The Politician," a vicious attack on Eisenhower, even accused the President of being a dupe of the communists.

Dear Mr. [Redacted]

On February 24 Senator Thomas H. Kuchel referred to me a copy of the letter which you recently wrote to him together with the pamphlet which you enclosed.

Dear Mr. [Redacted]

Your letter was received on February 27, 1961.

Although I would like to be of service, information in FBI files is confidential and available for official use only, due to regulations of the Department of Justice. The functions and responsibilities of the FBI, furthermore, do not extend to furnishing evaluations or drawing conclusions as to the character or integrity of any organization, publication or individual. Please do not infer in this connection either that we do or that we do not have data in our files relating to the subjects of your inquiries.

It is a pleasure, however, to send the enclosed publications available for general distribution by this Bureau on the subject of communism. No suggestions come to mind where you might be able to secure a list of individual communists, but if you would like to have a list of the organizations which have been designated by the Attorney General as coming within the scope of Executive Order 10450, your request should be submitted to the Subversive Organizations Section, Internal Security Division, Department of Justice, Washington 25, D. C. The House Committee on Un-American Activities has also prepared a "Guide to Subversive Organizations and Publications." The Government Printing Office currently advises it is now out of print, but you may be able to get a copy from your local public library.

NOTE: The Cinema Educational Guild is wellknown to the Bureau since its national director, Myron C. Fagan, has had to be admonished on several occasions for implying that the FBI gives him access to its files and for using the name of the Director in the furtherance of his anti-Semitic, anticommunist and anti-Negro pamphlets.

Bureau material has been made available to Dr. Fred C. Schwarz, [REDACTED] and others affiliated with Dr. Schwarz' Christian Anti-Communism Crusade. W. C. Sullivan memo to Belmont dated 9/22/60 indicates that when an SA of the Bureau spoke before the Dallas Freedom Forum, Dallas, Texas, on 9/19 and 20, 1960, (which sponsored a school on communism at that time directed by Dr. Schwarz) the SA commented that Schwarz made several "pitches" for articles in a book which he has written on communism and his publications were prominently displayed. In view of Schwarz' opportunistic activities in promoting his own writings, careful consideration should be shown in the future in furnishing speakers in view of the possibility that he might attempt to capitalize on the Bureau's reputation.

The John Birch Society was founded by Robert Welch of Belmont, Massachusetts. It is allegedly an anticommunist organization; however, Welch has stated that the Society might take on the appearance of a "front" in order that it might attract true subversives. During the Eisenhower Administration, Welch was openly critical of the President. His book, "The Politician," a vicious attack on Eisenhower, even accused the President of being a dupe of the communists.

I came in possession of the attached pamphlet recently and am writing to you to find out if the information contained there-in is authentic.

The names I recognize principally are Chet Huntley, Edward R. Morrow. Jane Wyatt, Vincent Price and Groucho Marx.

If Chet Huntley sympathises with the Red movement why do the NBC allow him on the net work and If Morrow is one also I can not understand why he is allowed to hold an important position in the government.

There is considerable activity here against the communistic movement and I want to be sure about what I do or say. With return of the attached please advise concerning the reliability of if and if any of the parties have been cleared of the charges against them and other information that might be beneficial.

Dear Mr. Hoover:

As a firm believer in the democratic principles of our democracy, the pamphlet which I am enclosing was placed in my hands the other day by (Mrs.) Florence ~~Clouse~~, a fellow teacher in our high school, who received it through a relative. Both of us read the booklet with question and concern. Ohio

This pamphlet was distributed in Columbus, Ohio, through the Watch Washington organization which claims to be a patriotic organization. It was sent to Mrs. Clouse recently.

Both of us would like to learn more about this printed material. We felt that the F.B.I. would be the best source for channeling our information and questions. May we have a reply concerning the following questions:

1. Is this pamphlet propoganda or truth?
2. Who is Cinema Studios Incorporated?
3. Do the individuals whose names are printed on this pamphlet know that this material is printed about them and is in circulation?
4. Is the film "Exodus" a communistic inspired film?

Respectfully yours,

NOTE: Although certain publications disseminated by the Cinema Educational Guild, Inc., and its national director Myron C. Fagan, have implied that they have access to data in our files, the specific pamphlet correspondent has seen re the United Nations does not contain such statements. We have no indications that Scofield is familiar with any other of Fagan's literature, and for this reason, no mention is being made of the fact that he sometimes <sup>indicates</sup> knows what is in our files.

Nothing derogatory concerning National Education Association, and we have not investigated the group. In view of both of correspondent's inquiries, it is believe that above acknowledge-ment best serves the Bureau's interests.

Dear Sir:

I have quite recently read a publication that has caused me considerable concern and I write to you for information concerning this material.

The information is in the following pamphlet;

SEPTEMBER - 1960 NEWS-BULLETIN  
"DOCUMENTATIONS: OF UN PLOTS FOR 'TAKE-OVER' OF U.S."  
by Myron C. Fagan  
No. 77 Part One

Published by CINEMA EDUCATIONAL GUILD, INC.  
P.O. Box 46205  
Colé Br.  
Hollywood 46, Calif.

In particular, I would appreciate any information you could give me concerning the activities of Myron C. Fagan and also information or verification of the implied subversive activities of the National Education Association (NEA).

I have the deepest respect for your organization and what it has done to combat the internal threat of communism and I would appreciate any advise you could give me as to how I could help in this battle. At present, the accusations made in the above mentioned bulletin are nearly beyond my comprehension.

Dear Mrs. [Redacted]:

Your letter was received on March 1, 1961, and the interest which prompted you to write is appreciated.

Although I would like to be of assistance to you, the files of the FBI are confidential pursuant to regulations of the Department of Justice and are available for official use only. In your letter you stated you would send envelope of material like I received to anyone. We have 200 on our school system list. Just mail material to Board of Education and it will be passed out.

We wrote Myran C. Fagan for more information on his operation. He too, told us nothing but that for 50 cents a copy he would send a News Bulletin on Chet Huntley and Edward R. Murrow.

It is with regret that, we, the people, cannot gain information as what should we believe and what we should not.

Thank you.

of piping their skillfully camouflaged propaganda into your Living Room and POISONING THE MINDS OF YOUR CHILDREN. You can get all the names, all their techniques, and the further knowledge of how to drive them off the Screen and off your TV Set in the following named three books:

"RED TREASON ON BROADWAY" reveals the paralyzing grip the REDS have on the Legitimate Theatre and on TELEVISION -- especially on TV -- and how the CRITICS help the REDS. More important, it tells how YOU can help to smash that grip!

"RED TREASON IN HOLLYWOOD" was the first book to fearlessly reveal the Communist Conspiracy in the Motion Picture industry -- it NAMED all the Top REDS in Hollywood. This book unmasked the Conspiracy and started the drive of the REDS out of Hollywood.

"DOCUMENTATION of the RED STARS in HOLLYWOOD" reveals the actual RED activities of the STARS . . . it reveals how they organized their RED FRONTS -- and how those FRONTS function . . . it shows how to smash Red Fronts!

Myron C. Fagan, famous playwright and director, unquestionably the foremost authority on Communism in the Entertainment World, is the author of all three books. Each book is so vitally informative that one of our Government top Intelligence Agencies has bought many thousands of copies to serve as virtually text books for all its agents. Every American, man, woman and child, should read all three books in order to get realistic knowledge of how the ENEMY is using our Theatre, Screen, Radio and

TELEVISION to brainwash our people, especially our youth, into helping them to destroy our Country.

These books are priced at \$1.00 per copy, each. Anybody who desires these three books should send for them to "Cinema Educational Guild" immediately, as we have only a limited number of copies left.

### A CALL TO ALL PATRIOTS

This Tract can be had at 100 copies for \$2.00

Send your order NOW to:

**CINEMA EDUCATIONAL GUILD, INC.**

Do it today -- NOW -- you may forget if you put it off to tomorrow . . . Keep your children from being brainwashed !!!

# AMERICANS . . . . .

## DON'T PATRONIZE REDS !!!!

### YOU CAN DRIVE THE REDS OUT OF TELEVISION, RADIO AND HOLLYWOOD . . . . .

### THIS TRACT WILL TELL YOU HOW.

### WHY WE MUST DRIVE THEM OUT:

- 1) The REDS have made our Screen, Radio and TV Moscow's most effective Fifth Column in America . . .
- 2) The REDS of Hollywood and Broadway have always been the chief financial support of Communist propaganda in America . . .
- 3) OUR OWN FILMS, made by RED Producers, Directors, Writers and STARS, are being used by Moscow in ASIA, Africa, the Balkans and throughout Europe to create hatred of America . . .
- 4) RIGHT NOW films are being made to craftily glorify MARXISM, UNESCO and ONE-WORLDISM . . . and via your TV Set they are being piped into your Living Room--and are poisoning the minds of your children under your very eyes !!!

So REMEMBER -- If you patronize a Film made by RED Producers, Writers, Stars and STUDIOS you are aiding and abetting COMMUNISM . . . every time you permit REDS to come into your Living Room VIA YOUR TV SET you are helping MOSCOW and the INTERNATIONALISTS to destroy America !!!

62-87267-402

Among the worst offending sponsors are FORD MOTORS (Ed. Sullivan Show in particular); Kraft Foods; General Electric; Chrysler; U. S. Steel, etc. . . . among the worst offending TV Producing Studios are Screen Gems, Inc., (a subsidiary of Columbia Pictures Corporation); Desilu; MCA-REVUE; Four Star Films, Inc.; Theatre Guild, etc. All Sponsors who employ such Studios to produce their TV Shows are, consciously or unconsciously, bringing REDS into your Living Rooms . . . . Watch the Producer's "Credits" on every TV Show you see.

### Here is HOW YOU CAN Drive Them Out:

Read the following list . . . They are the best known of the REDS and FELLOW-TRAVELERS who made our SCREEN Communism's most effective "Pied Piper" in America and the World! They are now coming into your Living Room night after night VIA YOUR TV SET and Radio . . . WATCH FOR THEM! . . . Keep this list with you ALWAYS! . . . When one of them appears on your SET send a copy of this Tract to the SPONSOR immediately—and WARN him that if he will bring another RED into your Living Room you will never again buy his products—and then fulfill your warning! . . . Give this Tract to your Grocer, your Butcher, to ALL Dealers you patronize—and warn them — so they can warn the Sponsors — also send copies to your local TV and Radio Stations . . . USE THE SAME METHOD WITH YOUR MOVIE THEATRE!

THAT is the only way we will drive the REDS out of Hollywood — Radio — Television . . . Hit the pocketbooks of the Sponsor !!! REMEMBER: every time you buy the products of a Sponsor who employs REDS you are hurting YOUR COUNTRY !!!

Mrs. [Redacted]

Dear Mrs. [Redacted]:

Your letter dated March 1, 1961, and enclosures have been received, and I want to thank you for your thoughtful message of confidence in the work being done by the FBI. Your prayers are also deeply appreciated.

Although I would like to be of service, information in the files of the FBI is confidential and available for official use only, due to regulations of the Department of Justice. I regret that I am unable to help you and hope that you will not infer in this connection either that we do or do not have information in our files relating to the subjects of your inquiry.

The pamphlet you forwarded has been brought to the Bureau's attention in the past, and you will note that it contains a statement to the effect that the procommunist records of the individuals named therein are documented in other Government investigating agencies. I can assure you that the Cinema Educational Guild, Inc. and its national director, Myron C. Fagan, have not had access to data in our files in the preparation of their publications.

In view of your interest, I am enclosing material available for general distribution by the FBI on the subject of communism, and your enclosures are being returned.

Sincerely yours,

J. Edgar Hoover

**ATTENTION SACs:** Inquiries concerning literature disseminated by the Cinema Educational Guild, Inc., and its national director, Myron C. Fagan, should be acknowledged as above. Correspondent is not identifiable in Bufiles.

**NOTE:** It has been necessary on several occasions to admonish Myron C. Fagan, national director of the Cinema Educational Guild, Inc., regarding the usage of the Director's name and that of the Bureau in the furtherance of his sensational-type literature.

Correspondent's third enclosure was a copy of Fagan's pamphlet entitled "Don't Patronize Reds!!!" This is well known to the Bureau, and no copy necessary for retention in Bufiles.

Dear Mr. Hoover.

A few weeks ago, I received from a friend, who is President of the Federated Women's Club in her Community of Glenrose, Montana, a Tract printed by the "Cinema Educational Guild, Inc. which was passed on to the members of this Club.

We were indeed greatly shocked to read some of the names of our favorite Commentator, Conductor, etc. in this group of "Red's".

I at once called the F.B.I. here, but they told me that they knew nothing about this tract. I then wrote to the F.B.I. in Hollywood, and they informed me that they "were not a fact finding Board" and said I should write to the Hollywood C.of C., which of course I did. I'm including their reply for you to read. I then wrote to the Cinema Educational Guild, Inc. asking them about the authenticity of the names on their tract, being Communist's

Please Mr. Hoover, will you please see if these names on the in-closed tract are Communist's, and if not, why is such a tract printed? If it is authentic, I shall glad buy some of these tracts for distribution, for we certainly want to keep this, the most wonderful Country, free from Communism.

We have admired your work for many years and we earnestly pray that God may grant you many many useful years yet.

Most sincerely yours

Mrs. [Redacted]

The following is a copy of a letter dated November 10, 1960, which has been released by the Committee on Un-American Activities of the House of Representatives of the Congress of the United States. It pertains to the activity of the Cinema Educational Guild.

C O P Y

Dear Friend:

A check of the public material in the files of this Committee failed to disclose any reference to the Cinema Educational Guild, Inc. in either the public hearings or reports of the Committee. However, the Committee has knowledge of the fact that this organization for many years has been engaged in anti-communist work.

The tract published by the Cinema Educational Guild, Inc., "The Reds Are Back in Hollywood," about which you make inquiry, contains a list of names of 200 persons alleged to be "the most rabid Reds and Fellow-Travellers." It also contains the statement that "the pro-communist record of every individual named in this list is documented in the files of the House Committee on Un-American Activities, in the California State Senate Fact-Finding Committee, and other government agencies."

The tract does not distinguish between those who have been identified as members of the Communist Party and those who are alleged to be fellow-travellers. Neither is it indicated whether the term "Fellow-Travellers" is used to indicate membership, affiliation, or activity within communist front organizations, or whether it is more restrictive or more all-inclusive in its meaning.

A check of the files of the Committee on Un-American Activities reveals that 53 of the persons whose names are listed in the tract have been identified in public testimony before the Committee as having been members of the Communist Party. Two of these denied under oath that they had been members. Research has not been undertaken to determine what the files of the California State Senate Fact-Finding Committee and other government investigative agencies may reflect.

It would be impracticable to attempt to assemble and analyze the public material in the files of the Committee relating to possible communist front affiliations or activities of the persons whose names are listed, since the Committee does not undertake to assemble information on more than a very limited number of names on any one request or to make any evaluation of any public material so assembled.

Dear Sirs:

Recently I received a tract that was compiled in 1960 and is entitled "Red Stars No. 3" stating that the Reds are back in Hollywood.

This tract is printed by the Cinema Education Guild Inc. P.O. Box 46205, Hollywood 46, California. Would you advise me at your convenience if the information in this tract about the movie stars and producers is accurate.

We are having a seminar in our church this month on the evils of communism.

May I thank you for this information.

Yours truly,
